W

A minimalist bedroom with a wooden bed frame, white bedding, and a brass floor lamp. The room is bright and airy, with a white wall and a light-colored floor. The bed is made with a white duvet and several white pillows. A brass floor lamp with a spherical shade is positioned to the left of the bed.

OUR DEVELOPMENT
PROGRAMME IS

REAL & RELEVANT

This unique programme is designed and facilitated by Woolworths and our specialist teams to provide you with a 'learning by doing' experience spanning 18 to 24 months, immersing you in our Fashion, Beauty and Home business.

You'll get to:

- Work and learn about our proudly South African private label brand, gaining exposure across the entire value chain.
- Train and upskill across the full retail and product development process to set you up for success before specialising.
- Be mentored and supported by our senior leaders, with regular check-ins, evaluations and valuable feedback.
- Be exposed to suppliers, mills and other retail partners.

BUYING

Interested in fashion retail? Wonder how products are chosen? Curious about customers and their buying patterns? Skilled in relationship building and planning? If you have a fashion, retail, or interior design qualification, consider buying as your perfect role!

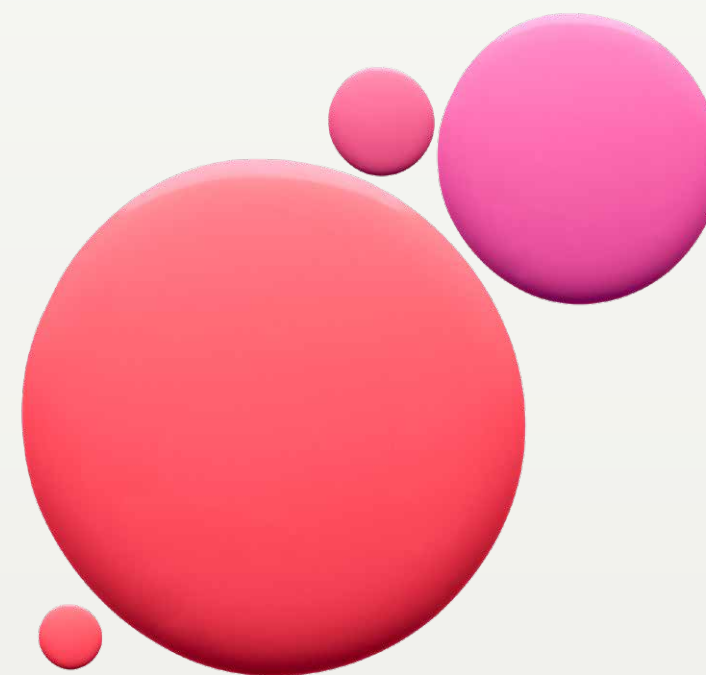

PLANNING...

Passionate about retail, numbers, forecasting, and problem solving? Join Woolworths as a planner! Get the right product mix for the right store at the right time with your analytical skills. Retail or business/management degree/diploma required. Data analysis and strong numeracy essential.

DESIGN

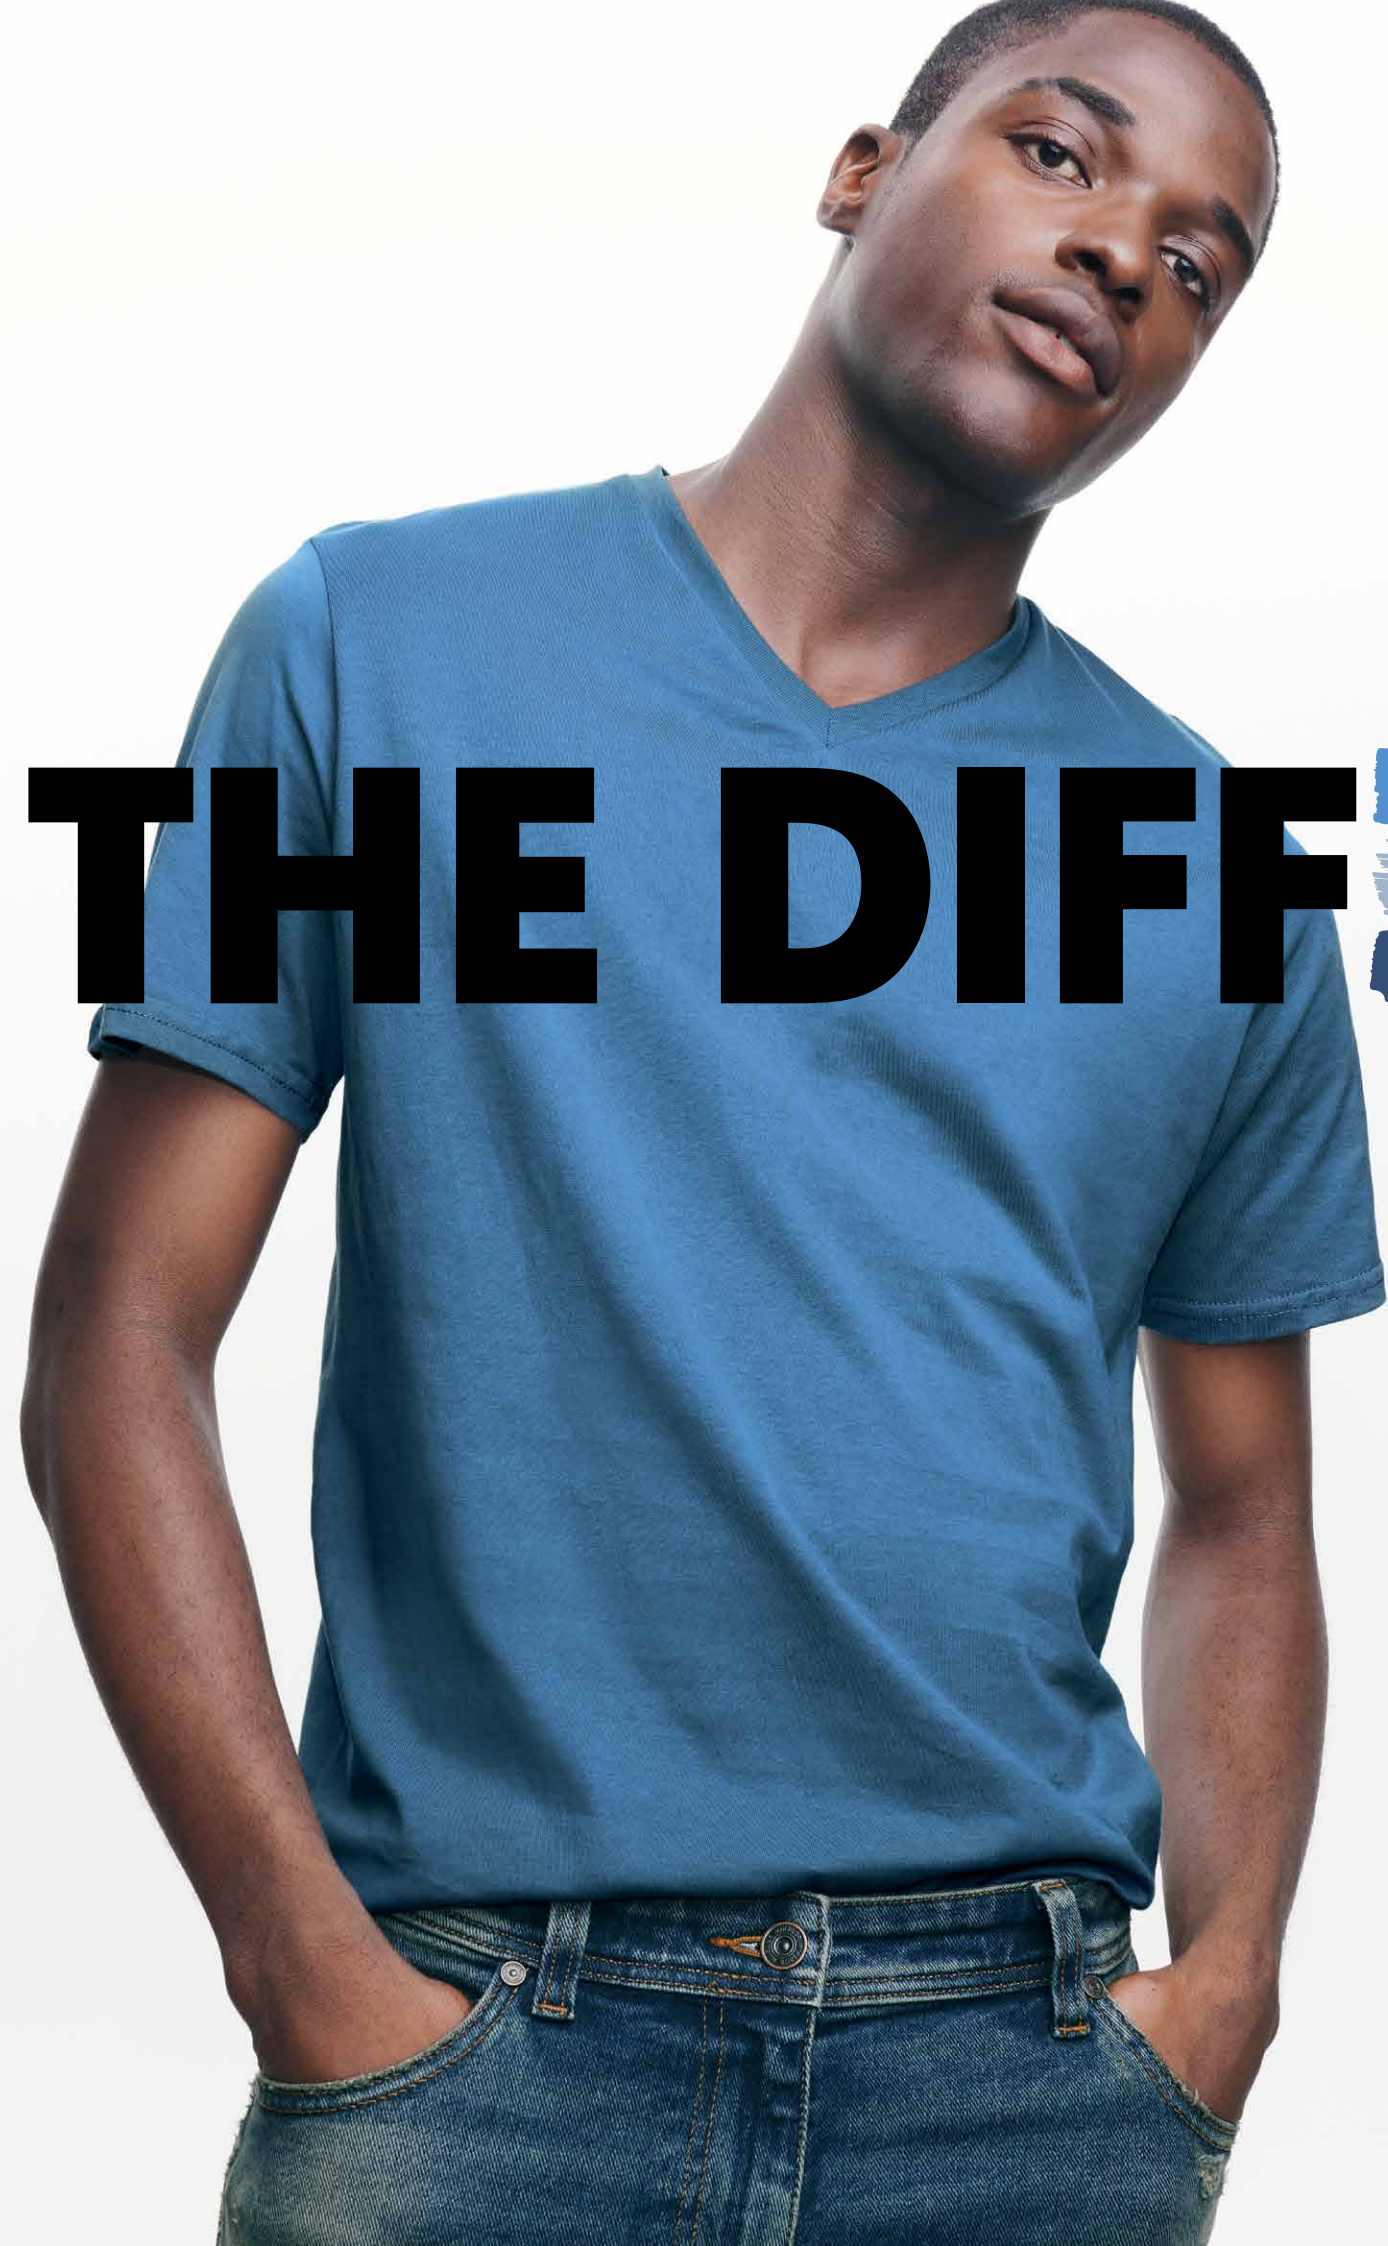

Imagine designing delightful products that exceed customer expectations, drive sales, and stay on top of international trends. Our South African designers interpret catwalk and street style, creating storyboards, sketches, and reviewing fabric and colour options for each season. A relevant design diploma or degree is required to join our fashion team at Woolworths.

We're dedicated to quality, sustainability, and innovation. Woolworths Exceptional Quality™ is our guiding principle. As a technologist, you'll craft beautiful products, working with suppliers and partners to improve processes. A relevant diploma or degree in garment, textile, pattern making, or technology/commercial studies is required to join our team at Woolworths.
